You can be sure that I will bring these qualities to this position with your company, in addition to my other strengths, which include Adobe Premiere Pro + Photoshop, I am a team player and my sequence selection is really good, and also I am highly attentive to details and task at hand.

I would greatly appreciate your review of my enclosed resume and outlined credentials. I believe that I can be a valuable addition to your team and your business goals. At your convenience, I am available for an interview or further discussion. I look forward to your response.
